

Foxbury Butchery One-To-One Experience

*3 hours of butchery fun with just you and a Foxbury butcher
Includes a hands-on sausage making session*

Itinerary

- 10.00am** - **Watch a Foxbury Butchery cut down a pig and beef carcass**
This will take place in the centre of our cold store where you will be surrounded by hanging carcasses, joints and sausages. This area is only authorised to Foxbury staff so can not be seen by visitors to the farm shop making it a very unique experience.
- 11.30am** - **Coffee Break**
A small break where you will be joined by the Foxbury Butcher so you can discuss anything you have just seen, and what you will be doing next
- 11.45am** - **Sausage Making**
*Time to get hands-on! An opportunity to make sausages from turning the meat into mince, combining the ingredients and linking the sausages.
You will make two different batches of sausages, taking home 1kg of each*
- 1.00pm** - **Finish**

Additional Information

All equipment and protective wear is provided by Foxbury Farm. It is recommended you wear hard / safety boots or trainers, and bring with you a warm jumper.

The session will run for approximately 3 hours; however the session may run over. Please arrive 15 minutes before your session begins so you can change into the correct clothing.

At all times you will be accompanied by a Foxbury member of staff. A first aider will also be present on-site at all times.

Friends and family are welcome to watch you make sausages but will not be allowed to join you for the first part of the session.

During the coffee break, a complimentary drink and hot sausage roll will be provided

At the end of the session you will take home 2kilos of the sausages you have made (approx. 20 sausages).
