

Foxbury V.I.P Group Visits

Summary

During a V.I.P Visit your party will enjoy a two course meal in our Good Food Barn Tearooms. We recommend scheduling in some time for them to look round the farm shop and visit some of our farm animals.

On arrangement there will also be an opportunity for your party to meet some of the farm animals hands-on including Mickey the donkey and Sunday the goat.

Farmer Colin Dawes can also provide a short talk on his farming methods and local food but there is an additional charge for this service. A price is available on request.

The bits your need to know in brief
