

The Good Food Barn at Foxbury Farm

Welcome to Foxbury Farm. The Good Food Barn provides the final piece of the Foxbury food chain - produce sold in the farm shop cooked for you.

Our aim is to offer quality food made with meat reared on our farm, vegetables and fruit grown locally, fresh herbs from the Foxbury Garden and local products, all of which can be found in the farm shop. Our chefs enjoy working with seasonal produce so don't forget to check our blackboards for special dishes. I hope you enjoy your time at Foxbury Farm and please do let me know your thoughts either in person, via e-mail (colin@foxburyfarm.co.uk) or using one of our feedback forms

Kids Parties

If you would like to have a children's party at Foxbury we are happy to put together childrens lunch boxes / picnic hampers for you to enjoy by the animals or in The Good Food Barn

We can arrange for the children to feed the small farm animals but all other activities must be arranged by the party organiser. To discuss this further please phone Rebecca on 01993 867385

Outside Catering

If you are interested in having our Gloucester Old Spot Pig Roasts or BBQ service at your event please ask for our Catering Guide in the farm shop or visit our website www.foxburyfarm.co.uk to download it

We can also provide salads, buffet food, puddings and cheese boards

Group Visits

If you would like to bring a group to Foxbury as an educational trip or to eat in The Good Food Barn please contact Rebecca 01993 867385 or e-mail rebecca@foxburyfarm.co.uk to discuss your requirements

The farm and butchery team are always happy to share their skills and experiences with visitors

Q & A

Where do you source the ingredients from?

All the ingredients are sourced from the farm shop. Over 90% of the items in the shop are British, with 80% of these being local. Our motto is if the item can be produced in this country it will only be sold in the farm shop when it is in season.

Where & how will my food be prepared?

Everything on the menu will be prepared in our own kitchen to order so during busy times this may mean there is a little wait but we do promise it is worth it! We do not use any preservatives or additives - just good quality, local ingredients.

How do I know that my food has prepared to the highest hygiene standards?

The owner of the business (Colin Dawes) has achieved a full HACCAP (Hazard Analysis Critical Control Point) certification and he ensures that all the staff understand and comply with this. All of our staff are also trained in general Health and Hygiene in the work place. This is not a compulsory course but one that we feel is very important to our business so therefore undertaken by all staff.

How do I order and pay for my food?

When you are ready please go up to the counter and order your food. Where possible your food and drinks will be prepared then and there for you to take away. If your food requires a little longer we will bring it to your table once it is ready.

You will be handed a bill - please take this to the tills to pay once you are ready.

Toilets are located by our free recipe wall in the shop
